

You're Invited!

Student Society of Health Systems Pharmacists (SSHP) from the University of Kansas School of Pharmacy is hosting a Brown Bag and Bone Density Screening, and we want **YOU** there!

Who: Anyone

What: A Brown Bag is simply going through all medications, herbals, supplements, and vitamins you are taking, and checking for problems such as potential interactions. Also, we will also be providing **free** bone density screenings!

Where: RIGHT HERE at the Wellness Center

When: Friday, Dec 9th at 10:30 AM

***** Bring:** all medications, this includes prescription, and over-the-counter medications, all herbals, and all vitamins and supplements.

We look forward to spending time with you all!
